Hi Tinka,

Hope all is going well.

After a few years of enjoying the UP without Aquila and the Back Forty, they are back again.

As you know, they had a SEIA meeting in Marquette a few weeks ago and informed those present they would be submitting a permit to mine to the DEQ in the next few weeks.

In the very near future, as things develop there will be questions that we would appreciate your input on.

If you, Roy or any other staff members are coming to the UP, would love to get together for a chat.
